No. G.56. \\ Letter Public Works Department,
Belgaum: 8th December 1951.

From

The Superintending Engineer, Southern Circle.

To

The Chief Engineer, Public Works Department,
Bombay.

Subject :- Examinations in Hindi.
Passing of by Government servants.

P 1

Reference: Superintending Engineer, Gujarat Irrigation Circle's No. G.66/11641, dated 13th November 1951.

2. I entirely agree with the views expressed and recommendations made by the Superintending Engineer, Gujarat Irrigation Circle.

3. In view of the great pressure of official work now-a-days senior officers and older Government servants would find it difficult to concentrate on the study of Hindi without detriment to their normal duties. The Constitution of India envisages that Hindi should take the place of English in all spheres of National life by 1965. Apparently, it is intended to introduce Hindi as the official language at an earlier date in the Bombay State. If so, it would seem advisable to fix the year of its introduction definitely now and to exempt all Government servants, who would be due to retire by then, from passing the Hindi Examination. This would avoid undue hardship and would

cause the least dislocation of official work.
